

Dear Participants of the presentation of Mehran Keshe October 2012, Heemstede.

Mr. Keshe told us how much he enjoys coming to Heemstede, he says the location and the participants make him feel really welcome.

For us DeLezing it was a great pleasure to have Mr. Keshe come and give another presentation.

Even more so, since he had just arrived that same morning from his trip to Africa (Sierra Leone).

I was given to understand that the flight itself was far from pleasant and that is an understatement!

This shows how dedicated Mr. Keshe is to helping others.

Besides the presentation Mr. Keshe also gave a donation to our charity Desire & Give, so that we in turn can help others too.

We have received many enthusiastic reactions for the way in which Mr. Keshe gave his presentation.

It was with enthusiasm that he told us about his new technologies and how these could influence the existence of mankind in a positive way.

These technologies could have an enormous impact on our lives, and Mr. Keshe feels that each and every one of us without exception should have access to their benefits.

We would like to take this opportunity to thank all those who attended the presentation and in so doing contributed to its success as well as giving www.desire&give.nl the possibility to do even more for those in need.

During the coming months Mr. Keshe will be spending most of his time travelling to India, Iran en Africa.

So if you'd like to attend another presentation keep an eye on the site www.keshefoundation.com

The next presentation will be in Ninove Belgium the 7th November 2012.

We the team DeLezing hope to see you again soon at future presentations.

So keep an eye on our website too www.delezing.nl

Desire & Give would also like to thank those of you who had reserved seats, but were unable to attend.

On behalf of Mr. Mehran Keshe and the Team DeLezing, thank you again.
